

ALDAF COMMUNITY INITIATIVES PROJECT EXPRESSIONS OF INTEREST

ALDAF is inviting Expressions of Interest from schools, Lions Clubs and Community groups to conduct innovative projects which help increase the communication and understanding between youth and adults in their local community.

Grants of up to \$1000 will be available for a variety of creative projects. Suggest an idea that will work for your community or consider one from the list below:

- The conduct of youth-friendly social events
- Development of youth focussed wellbeing apps
- Activities which are environmentally sensitive and encourage the re-use or recycling of materials
- Building of community gardens
- Sponsorship of charitable events (for example co-ordination of “a-thons” to help re-build local facilities after natural disasters)

Keys to being considered for a grant will be **the** applicant’s ability to demonstrate:

- The activities will be drug and alcohol free
- Involve participation, preferably at all stages of the development of the initiative, of youth together with adults to enable informal mentoring and development of stronger cross-generation understanding
- Provide opportunities for young people to help in the organisation and conduct of the project or activity
- A commitment to
 - meeting with your local Lions or Leos Club (min 2 times) and
 - preparing either an article for the ALDAF newsletter or a vodcast for the T.I.N.O. website
 - providing a progress report and end-of-project report as guided by the Project Coordinator
- strengthening the Project by involving multiple partners and/or funding opportunities
